

April 25, 2018

Dear Parents/Guardians:

We are writing to inform families about the potential for disruption of transportation services for some students with the Algonquin and Lakeshore Catholic District School Board and the Limestone District School Board.

Bus operator First Student Canada is involved in contract negotiations with school bus drivers represented by Unifor. First Student Canada is one of 30 operators under contract with Tri-Board Student Transportation Services, which provides busing to both school boards.

It is our understanding that mediated talks will continue, with a potential strike date no sooner than May 8, 2018. Should a strike occur busing will not be provided, nor alternate transportation arranged, for students on First Student Canada bus routes. A complete list of affected schools and bus routes are listed below. No other bus operators will be affected. In the event of a strike, parents and guardians will need to make alternate arrangements to get their child to and from school

The safety of our students remains our first priority, and if strike action does occur, our school communities will work collaboratively to ensure a safe drop off and pick up zone for all students.

We are hopeful that both parties will reach an agreement soon, and there will be no disruption to transportation services. We recognize that any withdrawal of services will affect students and their families, and we will work together to minimize any impact this may cause.

Tri-Board Bus Transportation Services and both school boards are committed to keeping families updated. Regular updates will also be shared through LDSB, ALCDSB and Tri-Board websites and through social media.
